## INSTRUCTIONS:

1. Print this sheet, making sure that Page Scaling is set to "none" in the print dialog box. Measure the square after printing to make sure it printed full size. (5" square)
2. Cut out the square. Paper clip or staple it to the same size square of black cardstock.
3. Cut through both layers with detail scissors or a craft knife.
4. Layer the pieces to create the outfit. *Tip: add the pants directly to the Dress Form Pop 'n Cuts™ Insert OR the Dress Up Framelits dress form first, then layer the jacket/shirt over the pants, aligning with the top of the dress form.*
5. Add black mini-brads as buttons on the jacket. Add a blue rhinestone to the top of the sonic screwdriver and tuck it under one of the sleeves.
